

United States District Court  
Southern District of Ohio

James Germalic,  
Plaintiff,

vs.

Frank LaRose, Ohio  
Secretary of State  
Defendant.

Case No. 2:23 CV 3706

Motion for Change of Venue

**FILED**  
TIME \_\_\_\_\_

**DEC 06 2023**

**RICHARD W. NAGEL, Clerk of Court  
COLUMBUS, OHIO**

I have never been denied Pauper Status. It is so obvious I am a pauper. Therefore, what the problem is is what's in the Complaint. It offends the court.

Therefore, I want to start fresh. I have a right to admit I made a mistake.

The court may not wish to grant a change of venue for the above reasons, so I will add two reasons:

28 § 1404 (a)<sup>\*</sup> says the court may grant a change of venue for convenience. That's obvious. With little money and a 25-year-old car it would be more convenient to have the trial in Cleveland where I reside.

I admit I made a mistake and the second reason to grant a change of venue is where it (the case) might have been brought in the first place, which is my home city, Cleveland.
